## How to Use These Love Quotes for Him

For the most natural message, treat the quote like a "starter" and add one sentence that sounds like you.

- Make it specific: Add his name or a shared detail (your nickname for him, an inside joke, a memory).

- Match the moment: Use supportive quotes during stressful weeks and sweet quotes when you want pure romance.
- Keep it short for texts: One quote + one line from you usually lands best.
- For cards: Pick a longer quote and end with a simple promise: "I'm so glad I get to love you".
- For long-distance: Pair the quote with the next time you'll see him (a date, a countdown, a plan).
